**FLORIDA CONTRACTING CLASSIFICATION PREMIUM ADJUSTMENT PROGRAM
WORKERS COMPENSATION PREMIUM CREDIT APPLICATION**

The Florida Contracting Classification Premium Adjustment Program is applicable to qualifying employers engaged in contracting operations.

A special premium calculation, which may result in a premium credit for you, will be based on average hourly pay rates for each classification of contracting operations. In order that your premium may be correctly established, please return the completed premium credit application, as set out on the reverse side of this letter, to the:

National Council on Compensation Insurance, Inc.
Customer Service Center
901 Peninsula Corporate Circle
Boca Raton, Florida 33487

They will advise us of any premium credit applicable.

If NCCI does not receive this application during the policy period or within three (3) years after the policy period ends, your premium calculation will not reflect any possible premium credit.

For each applicable classification (both contracting and non-contracting) covering your company's operations in the state of Florida, report the *total* Florida payroll (excluding overtime premium pay, pay in excess of the maximum individual payroll for executive officers or the pay in excess of payroll amount charged to partners and sole proprietors as shown on the state rate pages, as well as the entire pay for any exempt sole proprietor, partner, or officer) and the corresponding *total* number of hours worked, *for the third calendar quarter (July, August, September) of the prior calendar year as reported to taxing authorities.*

Note #1. If you did not engage in contracting operations during the third quarter of the prior calendar year, the requested information to be provided should then be for the last complete calendar quarter prior to the effective date of your workers compensation policy.

Note #2. If you are a new business (*no prior operations*), submit the requested information, *for the first complete calendar quarter following the effective date of your workers compensation policy*, when available.

Note #3. In the absence of specific records for salaried employees, you should assume that each individual worked forty (40) hours per week.

Please preserve your payroll records that formed the basis for this declaration as we will be required to verify the reported information in order for any premium credit to be applied.

Thank you for your cooperation.

Sincerely,
